

**PANIPAT INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, New Delhi & Affiliated to Kurukshetra University, Kurukshetra)

MEMORANDUM OF UNDERSTANDING

Between

SKILLIFYME

and

PANIPAT INSTITUTE OF ENGINEERING

AND TECHNOLOGY

(70 Milestone Dhaba, Grand Trunk Road, Samalkha, Haryana -132012)

1. PREAMBLE

This Memorandum of Understanding (MOU) is made and entered into on June 7, 2024, by and between SkillifyMe, a premier educational technology company, and Panipat Institute of Engineering and Technology (PIET), an esteemed engineering institute located at 70 Milestone Dhaba, Grand Trunk Road, Samalkha, Haryana -132012. The mission of PIET has always been to positively impact students' lives by providing them with the best engineering education possible. SkillifyMe shares a similar vision of transforming education by equipping students with industry-relevant skills and knowledge. Recognizing the mutual benefits of collaboration, both parties are committed to fostering an environment where students can enhance their technical abilities and career prospects. Through this MOU, SkillifyMe and PIET aim to bridge the gap between academic learning and industry demands, ensuring students are well-prepared for the technological advancements and challenges of the future. This partnership will facilitate the delivery of high-quality training programs, workshops, and hands-on projects, enabling students to achieve academic excellence and professional success.

2. SCOPE OF COLLABORATION

The collaboration between SkillifyMe and PIET is designed to significantly enhance the educational experience and career preparedness of PIET students through a comprehensive set of activities and resources. This partnership encompasses:

- 1) **Blended Learning Approach:** Implementing an advanced learning management system and delivering industry-standard content provided by SkillifyMe to create a robust blended learning environment.
- 2) **Programming Practice Enhancement:** Facilitating extensive programming practice through a rich repository of high-quality coding problems, detailed hints, comprehensive solutions, and multiple-choice questions.
- 3) **Regular Assessments:** Conducting frequent and rigorous assessments to accurately measure and enhance student learning and comprehension.
- 4) **Real-time Mentorship:** Offering personalized, one-on-one mentorship sessions in real-time to provide tailored support and guidance for students.
- 5) **Performance Analytics:** Utilizing an advanced analytics dashboard to enable faculty and college administration to monitor and track student progress effectively.
- 6) **Industry-Recognized Certification:** Awarding industry-recognized certificates of distinction and completion to students who meet predefined performance and achievement standards.

3. ROLE OF PIET

PIET plays a pivotal role in the collaboration with SkillifyMe, facilitating a seamless integration of industry-aligned training modules into its academic framework. The institute provides essential infrastructure support, also assists in assessments, feedback collection, and certificate issuance, ensuring the validation of students' acquired skills. Through campus-wide promotion and resource

allocation, the institute aims to enrich the learning experience, fostering a culture of continuous skill development among students.

4. ROLE OF SKILLIFYME

SkillifyMe plays a pivotal role in the collaborative partnership with PIET by spearheading curriculum development, training delivery, and learning management. Through its experienced trainers and industry professionals, SkillifyMe ensures the design and delivery of cutting-edge training modules tailored to meet industry demands. SkillifyMe administers assessments, collects feedback, and issues industry-recognized certificates to students upon program completion. Leveraging its extensive industry network, SkillifyMe facilitates internships, placements, and networking opportunities for students, enhancing their practical exposure and career prospects. Additionally, SkillifyMe offers ongoing support to ensure the smooth operation of training programs, fostering a dynamic and conducive learning environment for students at PIET.

5. CONTENT RIGHTS

The content and platform provided by SkillifyMe are exclusive assets of SkillifyMe and are made accessible to the students and faculty of PIET under this collaboration. SkillifyMe retains complete copyright of the provided content, and any dissemination to external organizations or public platforms requires prior consent from SkillifyMe.

6. VALIDITY

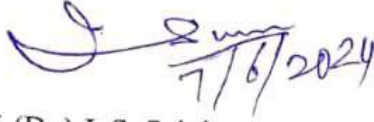

- i. This agreement is valid from the date of signing and will remain in effect for one year, with the option for yearly renewals.
- ii. PIET retains the right to pursue similar activities independently during the MoU period or in the future and may also engage in agreements with other parties.
- iii. Extensions or modifications to this MoU may be made by mutual agreement between SkillifyMe and PIET to align with their evolving goals and requirements.

7. CONFIDENTIALITY OBLIGATIONS

- i. Both PIET and SkillifyMe agree to maintain strict confidentiality regarding all information and data exchanged or generated under this agreement. This confidentiality obligation extends throughout the term of the agreement and beyond, except as permitted by the terms of this agreement.
- ii. Both PIET and SkillifyMe commit to taking reasonable precautions to prevent the unauthorized disclosure or use of each other's sensitive information. They agree to exercise the same level of care in protecting confidential information as they would for their own sensitive data.
- iii. Neither party shall share any information related to students or faculty members for personal or professional purposes, ensuring the privacy and confidentiality of individuals involved.
